**Life Soundtrack: Songs of Innocence and Experience**

Now that you have considered some life events and the songs that represent them, you are going to do some storytelling (narrative writing) in which you offer more details. Your responses will help you write your narrative vignettes. *Why not listen to the songs while you are writing?*

**Song Title/Artist for Event #1:** \_\_\_\_\_

Describe the Life Event (Tell the story. Include your age, background info, and details about what happened.)

Why does the song appropriately represent this life event? *What captures the essence of the event for you? Music? Lyrics? Mood? What does this song reveal about the kind of person you are and what you think is important in life?*
