

BEWARE OF LOGICAL FALLACIES

Partners: _____ & _____

Logical Fallacy: _____

Assignment: Analyze and discuss your assigned topic. Respond to the following questions.

1) Write an easily understandable definition of the term and identify other logical fallacies that are similar:

2) Cite an example of this logical fallacy from *Animal Farm* or your personal experience: _____

3) In the space below, write the script of a one-minute skit that illustrates a modern-world example of the logical fallacy. The pair of you will perform the skit for the class in the near future.

4) Identify a strategy we can use to avoid being fooled by this logical fallacy. Is there a “test” we can use to check for it? What questions do we need to ask? How can we respond appropriately when someone tries to use it on us?
