Vocabulary List #7
Honors English

Instructions: 1) Define each word in terms you understand. Do not merely copy a complicated dictionary definition. Single synonyms or short informal phrases are fine providing you know what they mean. 2) List related forms of the word – with their parts of speech – and/or identifiable “word cells” within the word. 3) Write a sentence containing the word or one of its forms that illustrates you actually know what the word means and how it should be used in a sentence.

“There is something about words. In expert hands, manipulated deftly, they take you prisoner. Wind themselves around your limbs like spider silk, and when you are so enthralled you cannot move, they pierce your skin, enter your blood, numb your thoughts. Inside you they work their magic.”

— Diane Setterfield
