

Name: _____ Period: _____ Date: _____

Vocabulary List # _____

Instructions: Define each word in terms you understand. Do not merely copy a complicated dictionary definition. Single synonyms or short informal phrases are fine providing you know what they mean. List related forms of the word and/or the root words that you recognize. Write a sentence that correctly uses the word or one of its related forms. Your sentence must illustrate that you know what the word means and how it should be used in a sentence.
