

1) From Always Wear Clean Underwear

You get to pee and poop pretty much whenever you want, but your dog isn't so lucky. Some dogs have to wait all day for somebody to come home and take them for a pee and poop walk. That's the first reason why you should walk your dog.

2) From The Jolly Postman

Dear Mr. and Mrs. Bear and Baby Bear,

I am so very sorry indeed that I came into your house and sampled each of your porridge. Mommy says I am a very bad girl. And I am. I hardly eat any porridge when Mommy cooks it! (Maybe it's because you are such a great chef Mrs. Bear.) Daddy says he will mend the little chair. Again I am so very, very sorry.

Love, Goldilocks

3) From Polar Wildlife

Polar bears live in the Arctic. They are the largest bears in the world - nearly twice as tall as a person and ten times as heavy. Polar bears do not stay in one place. They make long journeys across deep snow and slippery ice, looking for different kinds of food.

4) From My Special Vacation

Dear Susie,

This year I took a trip with my family. First we went to Denver, Colorado. Then we went to see my Uncle Bill and Aunt Rose. Next we drove to Amarillo, Texas. We went to someplace else in Texas to see my Grandma and Grandpa. And then I think we went to Jackson, Mississippi. We saw my cousins. When we got home I was really tired.

Love, Jane

5) From Be A Perfect Person In Just Three Days

When you finish reading this, get a stalk of broccoli and tie a loop of string around the end. Leave it in your bedroom overnight. When you're all dressed tomorrow morning, put the string around your neck and wear the broccoli like a necklace. And don't take it off until I tell you. See you tomorrow! Well, what are you waiting for? Go get some broccoli! And don't turn any more pages. Now GO!

6) From The Ultimate Kite Book

One of the easiest kites to make is the "Simple Sled", this sled involves little more than hemming the nylon, sewing sleeves to hold the spars on each side and hot-cutting two vents. Designed for light to moderate winds, the kite is flown on line with a breaking strain of 50 - 70 lb.

7) From Alexander and the Terrible, Horrible, No Good, Very Bad Day

I went to sleep with gum in my mouth and now there's gum in my hair and when I got out of bed this morning I tripped on the skateboard and by mistake I dropped my sweater in the sink while the water was running and I could tell it was going to be a terrible, horrible, no good, very bad day already.

8) From The True Story Of The 3 Little Pigs

So I walked down the street to ask my neighbor for a cup of sugar. Now this neighbor was a pig. And he wasn't too bright, either. He had built his whole house out of straw. Can you believe it? I mean who in his right mind would build a house out of straw? So of course the minute I knocked on the door, it fell right in. I didn't want to just walk into someone else's house. So I called, "Little Pig, Little Pig, are you in?" No answer. I was just about to go home without the cup of sugar for my dear old granny's birthday cake. That's when I felt a sneeze coming on.

9) From Visit to Redwoods

Last year, we went on vacation and had an excellent time. The weather was sunny and warm and there was lots to do, so we were never bored. My parents visited friends and took a lot of pictures. I swam and hiked with my brother. It was fun and exciting.
